MATEMÁTICA

MAYOR MENOR E IGUAL

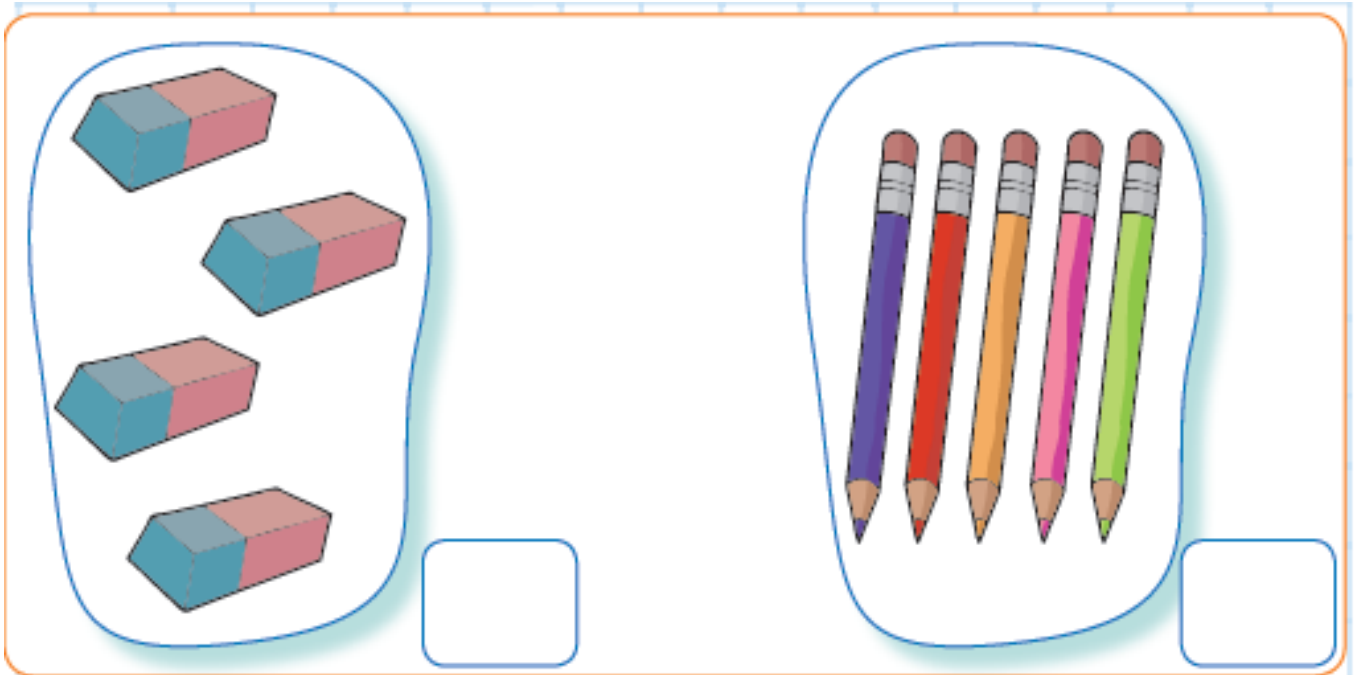

5 ANOS

❖ Cuenta y luego coloca el signo.

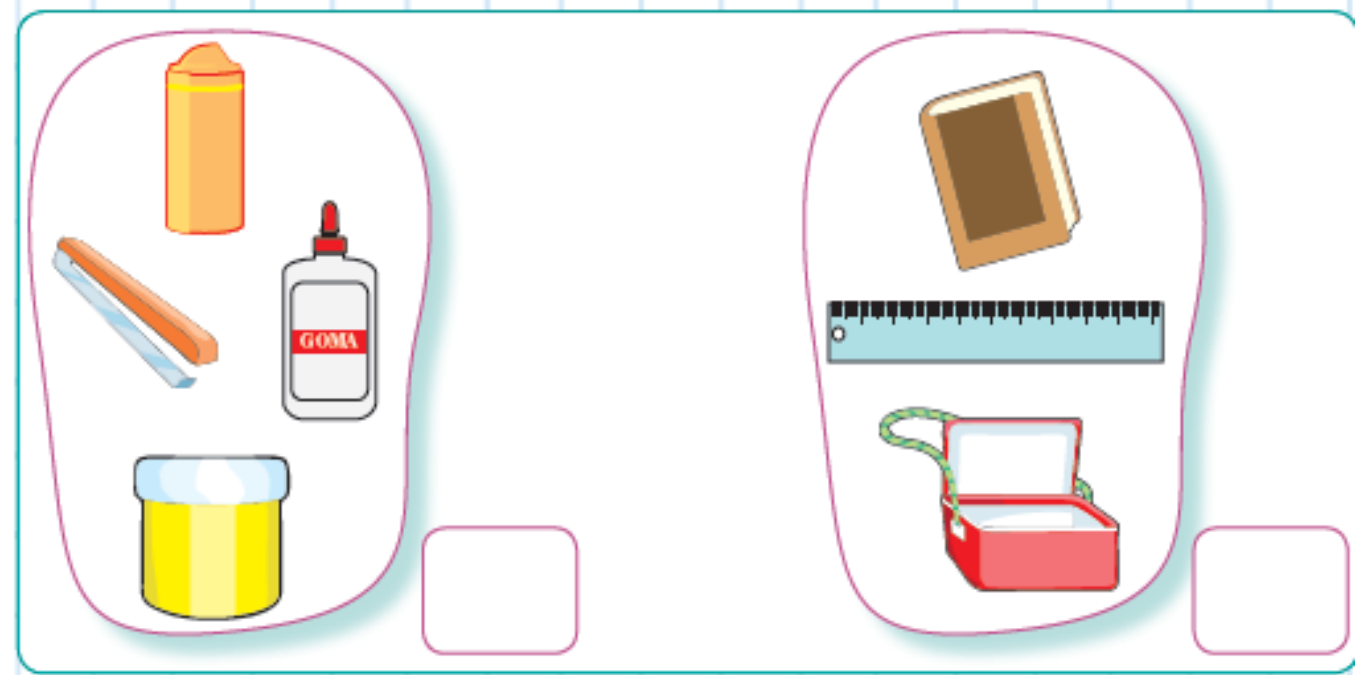

❖ Une con una línea, uno a uno, los elementos de los dos conjuntos.

❖ Marca con un aspa el conjunto que tiene mayor cantidad de unidades.

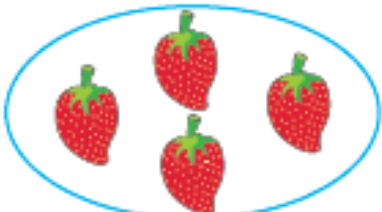

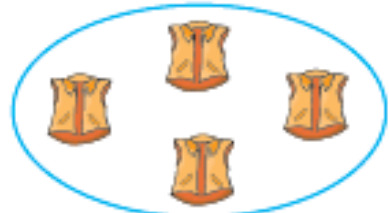

This section contains two sets of objects, each enclosed in a rounded rectangular frame. The left set contains four identical rectangular erasers, each divided diagonally into a blue half and a pink half. The right set contains five colored pencils: purple, red, orange, pink, and green. Below each set is a small, empty square box for marking.

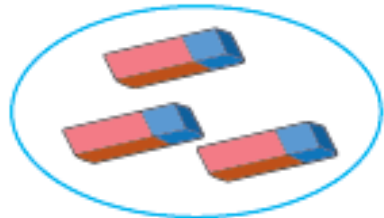

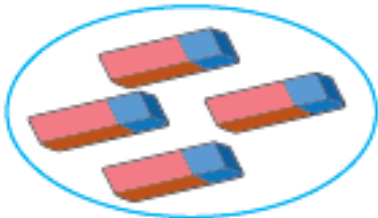

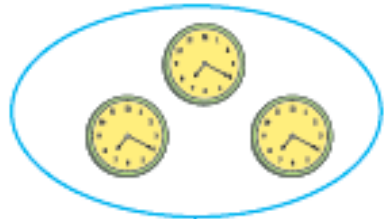

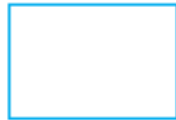

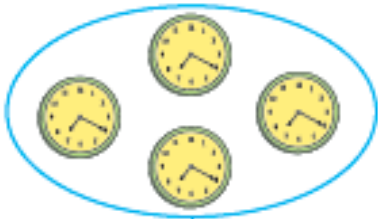

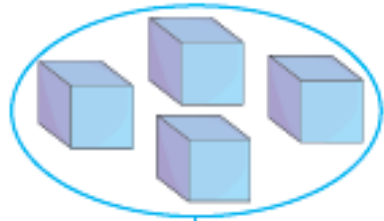

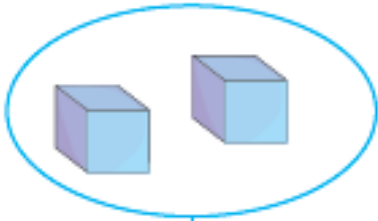

This section contains two sets of objects, each enclosed in a rounded rectangular frame. The left set includes a yellow crayon, a blue pencil, a white glue bottle with a red label that says 'GOMA', and a yellow jar with a blue lid. The right set includes a brown rectangular eraser, a blue ruler with black markings, and a red jewelry box with a green ribbon. Below each set is a small, empty square box for marking.

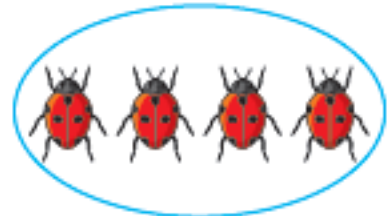

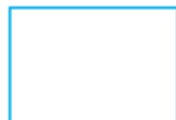

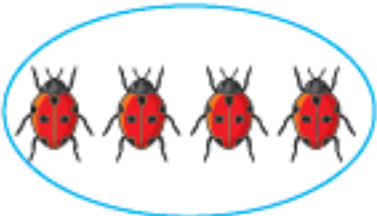

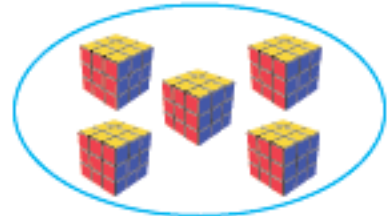

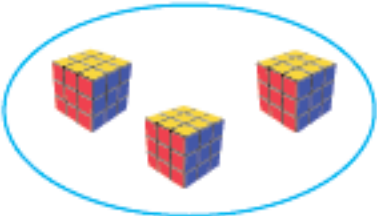

❖ Escribe el numeral y coloca (> < o =).
